Hi Chuck,

I just wanted to check and make sure you got my email with my new return to work date...I tried to log on to my work email today and I couldn't get on.
Talk to you soon,
Kate

Kate, that's good news. Now, everybody here is going to court, The Supreme Court ruled that the certificates are no good. We'll have plenty of court cases waiting for you when you get back. Take care. CBS

Hi Chuck,
I just got off the phone with the atty...the defendant plead guilty so I will not have to go to court next week!
Have a great weekend!
Kate

Carol, Kate is ████████████████ until September, but she has been working with a federal attorney on an upcoming case. She has spent 2 hours with her already and will probably have to go to court next week. How do we go about reimbursing her? Chuck S

Kate, send me an email about your meeting with the federal attorney last week, indicating how much time you spent going over notes and preparing for your testimony. I will email Carol Cormier to find out about reimbursement. Chuck S

Hi Chuck,
I just spoke with Jamie and she does need me to testify. She said the trial begins June 29th. She is sending someone to serve me with a subpoena and she is also mailing me a copy of my notes. She also said that she will need to meet with me before the trial to go over my testimony...she will be coming up my way one day the week of June 22nd (either to my house or another location. ████████████████
████████████████████████

I'm not sure how this works since I'm ████████████████ do I get paid for the time that I meet with her and the day I go to court or do I earn comp time or what happens? If you could let me know that would be great!
I will keep you posted as to my further discussions with Jamie.
Talk to you later,
Kate

Hi Kate, Federal Assistant US Attorney Jamie Fox was in today and met with Peter on the case you two did. It sounds like she may need you to testify. She would like you to call her at 617 748-3687 today or Friday to discuss the case. I

suggested that Peter or I redo the IR analysis, but she doesn't think that will do. If you have any questions call me at 617 983-6629.   Chuck S.
